

MARK CYGAN

Industry Manager for Mapping
and Statistics

Esri

BIO

Mark is Esri's Industry Manager for Mapping and Statistics, working with National Mapping, Land Administration, Imagery and Statistical Geospatial Authorities. Mark has over 35 years of experience working in GIS and mapping, including management positions at Esri, NAVTEQ (now HERE) and Rand McNally & Co. and Cartography Dept. in the Automobile Club of Southern California. Mark is actively participating on the United Nations Committee of Experts on Global Geospatial Information Management (UN-GGIM), board of UN-GGIM Geospatial Societies, User Community of Geospatial Authorities and the board of directors of the International Map Industry Association (IMIA) Americas.
